### Finishes

## A quick note on our sizes - please read before you order!

The sizes we list on this web site are mattress sizes.

**The Classic range (includes the Platform, Low Deco, Low, Daydream, Summer, Cottage, Shaker, Trinity, Mozart, Brahms, Kensington, Sunday, Siesta, Brazil and Rio)**

In this range our bed frames are larger than the stated mattress size by approximately 3 and half inches (9 cm) in width, and 4 and a half inches (11.5 cm) in length, except the Sunday & Siesta bed frames which are 6 inches (15 cm) wider and longer.

**Space saving - wooden range (includes the Studio, Apple, London, Bimini and Trellis)**

**Space saving - upholstered range (includes the Cuba, Cayman, Vivaldi, Fiji and Evia)**

If you're buying one of our space-saving bed frames, you'll only need to allow an extra 4 and half inches (11.5 cm) to the overall length and nothing extra to the mattress width.

**Please measure carefully and include space for your skirting boards so that you get the most accurate details for your bed.**

If you need a bed frame that's a little different in size, we may be able to help. Give us a call on 020 7693 9393 and our staff will advise you.
